Section 2. That the said City Council of the City of Glendora desires to annex said uninhabited territory to the City of Glendora for the following reasons: said territory is contiguous to the City of Glendora and its proposed annexation will contribute to and facilitate the orderly growth and development of both the City of Glendora and the territory proposed to be annexed; will facilitate and contribute to the proper and orderly layout, design and construction of streets, gutters, sidewalks and drainage facilities, both within the City of Glendora and the territory proposed to be annexed; and will provide and facilitate proper overall planning and zoning of lands and subdivision of lands in said city and said uninhabited territory in a manner most conducive to the welfare of said city and said uninhabited territory.

And the said city clerk is further directed to cause written notice of such proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll, available on the date that these proceedings were initiated, at the addresses shown on said assessment roll or known to said City Clerk, and to any person who has filed his name and address and the designation of the lands in which he has an interest, either legal or equitable, with said clerk, such notice to be given not less than twenty days before the first public hearing on the proposed annexation.

And the said City Clerk is further directed to cause written notice of such proposed annexation to be mailed to the Board of Supervisors of Los Angeles County, such notice to

be given not less than twenty days before the first public hearing on the proposed annexation.

Section 4. That Tuesday, June 19, 1956, at the hour of seven thirty p.m. of said day, in the council chamber in the City Hall in the City of Glendora, County of Los Angeles, State of California, is hereby fixed as the time and place when and where any person owning real property within the uninhabited territory above described and proposed to be annexed to the City of Glendora and having any objections to the proposed annexation, may appear before the council of the City of Glendora and show cause why such uninhabited territory should not be so annexed to said City of Glendora. Such protest must be in writing, may be filed at any time before the hour set for hearing objections to the proposed annexation and shall state the name or names of the owners or owner of property affected and the description and area of such property in general terms.

Re: Proposed annexation to the
City of Glendora, "Easterly
Annexation District No. 16"

Dear Sir:

At the meeting held on April 25, 1956, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of April 13, 1956, of the proposed annexation of territory to the City of Glendora.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, the description as submitted included a portion of the existing city so upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,

Attention Mr. J. S. Allison, Secretary

Dear Sir:

CITY OF GLENDORA
"EASTERLY ANNEXATION
DISTRICT NO. 16"

In compliance with your request of April 16, we have reviewed the submitted legal description of the proposed boundaries of this annexation and report as follows:

1. The boundaries conform with lines of ownership. However, the description as submitted included a portion of the existing city, and we have adjusted the boundaries to correct this.
2. No island or corridor of unincorporated territory is created by the boundaries.
3. Other boundaries are shown in relation to the proposed boundaries of this annexation on the enclosed map.
4. The legal description as submitted was an area type description and, technically, not a description of the boundaries.
5. Because of items 1 and 4 above, we have prepared the enclosed revised description which we recommend that the Commission approve and forward to the proponents.

All original papers regarding this matter are enclosed.

Yours sincerely,
